Get started with streaming apps

In this guide we're going to show you everything you need to kickstart your livestream. Whether you’re playing Fifa, teaching French or raising a pint from your bedroom, there are lots of ways to get creative with your fundraising during lock-down and every penny raised makes a huge difference to those in the greatest need.

1) Create your 'Zoom' account

Click [here](#) to create your Zoom account and on the top right hand side select the button 'Sign up - its free'.

Enter your email address, you’ll then be sent an email you will need to click on that will confirm your account and ask you to enter your details.

2) Invite your friends

You will then be given the option to add your friends email addresses to invite them to your room, you can skip this for no if you want to get started quickly. Zoom will give you a personal link that you can send out to friends after.

3) Start your livestream

Click ‘Start meeting now’ when you are ready and in the bottom left hand corner you will see a ‘start video’ button which will start your webcam when ready. You can also click on the person icon to invite people to your livestream. You can also record your livestream using the button on the bottom right hand corner!

Don’t forget to create your JustGiving page in order to receive donations for your stream!
