

Wellbeing Consultant - Penny Brohn UK at GenesisCare, Oxford

We are looking to recruit a Wellbeing Consultant to join the GenesisCare team at their centre in Oxford. The Wellbeing Consultant will work in partnership with GenesisCare to deliver a whole person approach to health and wellbeing. Patients will be attending the medical centre for radiotherapy and chemotherapy treatment for cancer.

Job Title: Wellbeing Consultant
Ref: WBC373
Contract: Full time
Hours: 37 hours
Salary: £27,000 - £32,000 per annum
Location: GenesisCare Oxford, Peters way, Sandy Lane West, Oxford, OX4 6LB
Benefits: Free parking, 25 days holiday (pro-rata) plus 8 bank holidays (pro-rata)

We are recruiting for a Wellbeing Consultant with previous experience as either a registered nurse, health care professional or other health related professional (e.g. Psychotherapist / Counsellor / Complementary therapist), to provide a range of Penny Brohn Living Well services within the GenesisCare Centre in Oxford. This will include;

Holistic needs assessments, managing complementary therapists, providing information and support services to patients who are undergoing radiotherapy, supporting patients and relatives through relaxation and mindfulness sessions and facilitating Group Support Sessions. (All patient sessions are delivered either face, to face, telephone and Zoom video link).

The Wellbeing Consultant will be responsible for ensuring that patients and their relatives have a positive experience as they move through Penny Brohn UK treatment support services at the GenesisCare centre in Oxford.

We are looking for an experienced professional who is able to work in a flexible, intelligent and creative way.

Penny Brohn UK have been working in partnership with GenesisCare UK, a private healthcare company, since 2013. We deliver a Wellbeing service which includes complementary treatment support for patients undergoing chemotherapy and radiotherapy at 14 of their centres across the UK. This wellbeing service is underpinned by the Bristol Whole Life Approach which provides a powerful combination of physical, psychological, emotional and spiritual support that is designed to help anyone affected by cancer, at any stage of the disease.

Application Process

Please download and complete the application form and the diversity and equal opportunities form and return them to jobs@pennybrohn.org.uk (quoting the job reference number in the subject line). CVs alone will not be considered. For further information please contact Taonga Phiri, GenesisCare/Penny Brohn UK Partnership Manager on 07719 558734 or the HR Department on 01275370071.
